

Charge for 2419 Demolition Committee

The Vestry of St. Aidan's asks this committee to research the process that would end in the demolition of 2419 Colorado Avenue and the use of those grounds for parking. This work is to include:

1. Learning about the City of Boulder application for demolition
2. Cost of demolition
3. Safety issues
4. Length of time necessary to demolish
5. Contractors available to do demolition
6. Interim arrangements for utilities currently used (water for lawns and light for parking lot/back path)
7. Consult with the Boy Scouts (Jacob Wolniewicz) on the planned Eagle Scout Project for landscaping this summer near 2419 Colorado Avenue
8. Include implications for Parking income/etc at St. Aidan's
9. Suggest uses or transformation of the area where the building now sits.
