The Buildings and Grounds and Finance Committees recommend the following projects to the Vestry for completion this summer and to be funded by a \$50,000 capital fund drive.

Superior Asphalt 4,841.00

Repave three broken up areas of parking lot plus level and roll the dirt road

Black Roofing 1,870.00

Downspout and metal work on the north and west roof to correct long term drainage problems

Black Roofing 33,937.00

Resurface flat roof around columbarium and chapel

American Abatement 6,051.00

Remove asbestos tile and mastic from Meeting Room A/B

CBS Carpet 1,800.00

Lay tile in Meeting Room A/B (estimate only, no formal bid since abatement has not been done and concrete quality is unknown)

Total 48,499.00

I am more than willing to give as many tours and demos as people may want.
