

Mission Support Team Charter

The Mission Support Team will encourage, nurture, and support the servant ministry of the church. The Mission Support Team is accountable and responsible to the Vestry, and is expected to work cooperatively with the Canterbury Committee, the Pastoral Care Committee, the Lay Eucharistic Visitor Committee, and any other committees of the church that have a share in the work with which it is tasked. Specific responsibilities include:

1. Nurture and develop servant leaders for service ministries in the church and the world.
2. Lead parishioners into personal and financial support for service ministries through example and teaching.
3. Assist in providing appropriate resources for these ministries, both financial and otherwise.
4. Regularly communicate to the parish about the results, needs, and opportunities in our service ministries.
5. Insure each supported mission opportunity is championed from within the parish.
6. Coordinate a common schedule for events related to mission activities - liturgical seasons
7. Allocate and account for outreach funds and any other designated funds.
8. Pray for those serving in the mission of St. Aidan's and for all those whom we seek to serve
